BUILT FOR THOSE WHO CHALLENGE THE STATUS QUO.

Fishing isn't just a sport, hunting isn't just a hobby, and boats aren't just vessels built to bring you from point A to point B. They're lifelong passions and our reasons for leaving land, time and time again. That's why Crestliner never settles when it comes to building our boats. And why you'll find seven decades of durability, an unwavering commitment to quality and boundary-pushing innovation in each and every rig. Because when your passion for casting and catching is above and beyond what others consider normal, you need a boat ready to go just as far.

FORGED WITH STRENGTH. DEFINED BY DURABILITY.

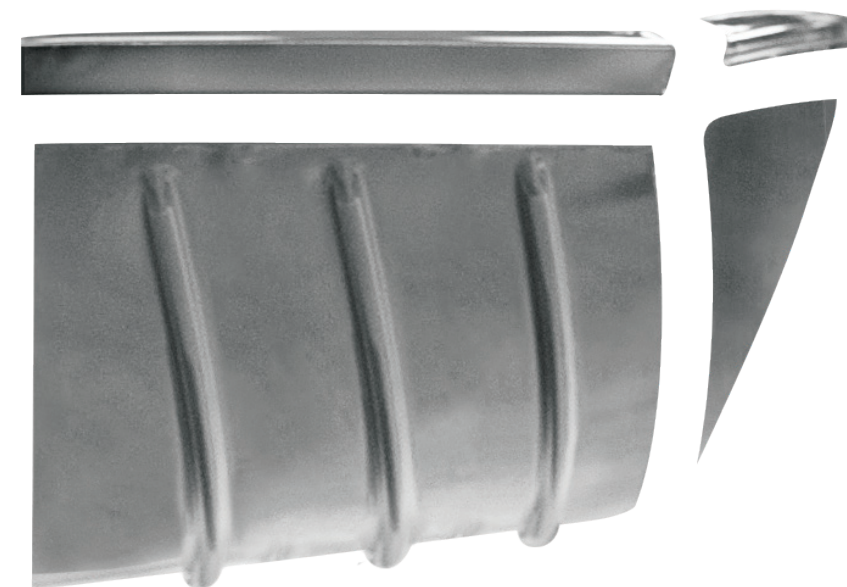

1 MULTI X HULL

Crestliner Mod-V boats feature our Multi X Hull, a multipiece design with formed-in strakes built into the construction and extruded longitudinal ribs under the decking. This produces superior strength, stability and durability.

NO WOOD. NO CAUGHT LINES. NO MAINTENANCE.

Countless innovations are seamlessly integrated into the design. Simply put, Crestliner boats are welded to stand the test of time and built to perform.

2 EXTRUDED FULL-LENGTH KEEL

The backbone of every Mod-V, the extruded full-length keel is constructed using an interlocking tongue-and-groove-seam construction method, providing strength and a smooth ride.

WELDING PROCESS

Crestliner uses handcrafted, continuously welded seams on our hull for unbeatable strength, durability and a watertight fit.

SUPERIOR STRUCTURAL INTEGRITY

Under the floor of a Crestliner is a rock-solid foundation with an intricate stringer system providing a safe, smooth ride.

BROAD BEAM DESIGN

With an advanced broad beam design, Crestliners have more deck space and larger casting platforms—perfect for fishing all day.

WOOD-FREE CONSTRUCTION

From rugged transoms to solid decking, the Crestliner lineup gives you the durability, consistency and quality of 100% aluminum construction.

Not all processes, features and statements apply to every Crestliner boat model.

THE **CRESTLINER** ADVANTAGE

ENDURING QUALITY

At Crestliner, integrity and passion drive every decision we make. We take pride in our generations of engineering innovation—designing boats that last generations, too.

15 CONSECUTIVE CSI AWARDS

LIMITED LIFETIME WARRANTY

Protect every purchase with a limited lifetime warranty on mainseam welds, a three-year bow-to-stern warranty on virtually everything else and the ability to transfer warranties to future owners. (See warranty for details. Warranty differs on CR Jon boats.)

21 | 19

MX

ENGINEERED TO MATCH YOUR ABILITY.

Practice doesn't make perfect, it fills your livewell. Those same hours you poured into fine-tuning your bass game are the same hours we poured into engineering the MX 21 and brand-new MX 19. This fishing boat family is spacious. Functional. Tough. It gives you 150-250 horsepower and top-level performance with a pad hull structurally designed for stability and handling—a combination that puts every angling advantage at your disposal. Because you won't settle for less than professional grade and neither do we.

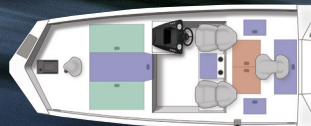

21
MX

MORE SPACE FOR MORE BASS

With a massive casting deck, you can view the water from everywhere, helping you pull enough bass to fill MX 21's giant 45-gallon livewell.

XF/XFC

**PUSHES THE LIMITS FOR
A COMPETITIVE EDGE.**

Maybe you're an angler working your way to the pros or maybe you're a weekend warrior who loves spending every minute of free time catching bass and crappie. Either way, our XF and XFC models don't discriminate. With a wider bow platform for maximum stability, plenty of storage for rods and gear, plus huge livewells, these high-performance fishing machines will help you catch more whether angling is your livelihood or your favorite pastime.

189 | 179

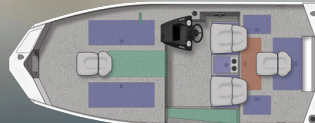

XF

DARE TO WIN

Push your fishing game further with the extreme fishability of this competition-ready bass boat.

FEATURES & OPTIONS

Add comfort, style, function and fun with a full range of features and options available for most boats. Visit crestliner.com or your local dealer for complete information.

DELUXE SEATS
Extra wide for added comfort and stability. The cushioned backrest conveniently folds down.

TEMPRESS SEATS
No-frills fold-down seat that provides just the right amount of comfort.

GUN BOX
Spacious, versatile and lockable storage for fishing rods and hunting equipment such as guns and ammo.

SUREMOUNT GUNNEL ACCESSORY SYSTEM
Removable SureMount aluminum accessory brackets and mounts let you slide your favorite accessories along the gunnel for perfect placement without drilling.

MAG WHEEL TRAILER
Features include aluminum wheels, steel fenders and ratchet tie-down. Available on the MX, XF and XFC.

TRAVEL COVER WITH RATCHET STRAPS
The snug, custom-cut travel cover attaches securely with ratchet straps.

CENTER SEAT
Optional center seat between the helm and passenger seats folds down to become a step to the stern. Available on the MX, XF and XFC. (XF 179 shown)

JOHN COX EDITION PACKAGES
The John Cox Edition Package includes a John Cox hullside graphic, 3D Chromax Crestliner hullside badge, stainless steel compression latches and cupholders, flip-up cleats, two power poles with 8-foot blades, and a polished aluminum steering wheel with comfort grip. Available on the MX 21 and MX 19.

PRO PACKAGE
Up your game with the optional Pro Package. Includes upgraded black sport steering wheel, windscreen, automatic bilge pump, recirculating livewell pump (stern), insulated livewell and storage compartment lids (stern), chrome compression latches, LED interior lights for bow and stern decks, stern livewell and rod locker, ratchet straps and upgraded premium mag wheel trailer. Available on the XF and XFC.

*Not all processes, features and statements apply to every Crestliner boat model.

All prices and specifications subject to change. Crestliner reserves the right to discontinue models or change prices, specifications, materials, equipment, color or design at any time without notice and without incurring obligations. Some models are shown with optional features and equipment. Outboard model weights shown in this catalog reflect the approximate weight of the boat only, and do not include weights of the outboard motor or accessories installed. All boats meet or exceed United States Coast Guard regulations, applicable American Boat and Yacht Council standards and are certified by the National Marine Manufacturer's Association. Our proven construction and its durability allow us to offer you one of the best warranties in the industry. Crestliner was the first to offer a limited LIFETIME hull warranty to the original owner. All main seam welds are covered. Interior support construction carries a limited 10-year warranty. Plus, you get a limited 3-year bow-to-stern warranty on virtually everything else. It gets better...Crestliner's warranty is transferable! When it's time to upgrade to a new Crestliner, you have the option to transfer the warranty to the second owner. (Limited Lifetime warranty differs for CR Jon boats.) Some restrictions apply. For complete details, a copy of our limited warranty is attached to each new boat or may be obtained from your Crestliner dealer. Many boats featured in this catalog are shown with available options. See your dealer for details. Every effort was made to ensure that this information was accurate at the time of printing. Crestliner assumes no responsibility for errors in type, in print or in photos. Please follow the rules of safe boating, be courteous to others and respect the marine environment. Special thanks to NMMA®, Onyx®, Fell Marine®, Mercury Marine®, Power-Pole®, and Cass Lake Lodge, Cass Lake, MN.
